CAUTION . . . . . ☆

Pay no money in advance to Internet Directory Canvasser. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publishers, and the date of publication. You will then be sure that the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.
